To Someone Special....

I would like to donate:

\$20 \$50 \$75 \$100 \$_____

∞ *What is this dedication program?*

To Someone Special is a gift program that offers you a unique way of remembering a member of your family, a friend, a group or a colleague on a special occasion such as a:
birthday anniversary holiday
graduation retirement wedding
or in memory of a loved one.

While you are remembering those moments that mean so much, your donation will help the Library build its book collection. The new books will provide countless hours of enjoyment for our community.

∞ *How do I dedicate a book to someone special?*

Tell us the name of the individual or group you have chosen to honour, the date and the nature of the occasion, and enclose your payment (payable to Whitchurch-Stouffville Public Library).

You may choose to donate to a specific area or to a suggested broad subject area. Staff will follow the Collection Development Policy in purchasing the book. We may not be able to fill requests for some specific titles, but we will work with you to find a suitable title.

The minimum donation to this program is \$20.

∞ *What will the donor receive?*

As a donor, you will receive a letter acknowledging your donation and a receipt for income tax purposes.

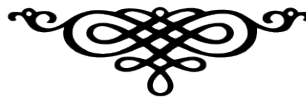

With consent, a distinctive book plate listing the name of the donor, plus the name of the honored individual or group will be placed in each new book purchased.

∞ *What will the individual, group or family being honored receive?*

The honoree will receive a letter acknowledging your gift.

The honoree will have the privilege of being the first to borrow the book.

If this is a memorial gift, the letter will be sent to the immediate family.

Donations can be made at the Library.
