Spring Guide

April to June 2023

A LETTER FROM THE CEO

Spring is a time of joy and renewal. We are excited to share our spring program guide with you which is full of exciting programs that will delight you and your family.

Children can get messy and let their imaginations run wild with craft programs including Doodle Jams and Art Jams. In June, children can participate in our much–loved Summer Reading Program, which encourages them to earn prizes for time spent reading and maintains their literacy skills during the summer break from school.

Teens can de–stress at our after–hours Cozy Games Night. Participants bring their own phone, laptop, or Nintendo Switch and play their favourite games, or play cards or one of the Library's board games. If Karaoke and dancing are preferred, teens can showcase their inner performer at the after–hours Karaoke and Just Dance evening.

All are welcome to the Library and Latcham Art Centre on Saturday, June 3 for Doors Open, a free event that allows a behind–the–scenes look at the buildings and organizations in Whitchurch–Stouffville. On Saturday, June 10 we welcome the community to Art in the Park, a celebration of arts and culture held in Memorial Park.

Turn to page 22 for Latcham programming including children's classes, the KickstART youth event, and adult programs.

Finally, I encourage you to be inspired by Celebrations, an annual exhibition by local children and youth from elementary and secondary schools in Whitchurch–Stouffville beginning Friday, April 28. Enjoy!
